After the Loss of Your Baby

By Connie Nykiel - This book is for teenagers who have experienced any type of pregnancy loss, infant or SIDS death. The book addresses adolescent grief issues and future pregnancies.

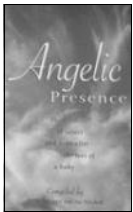

\$4.00

Am I Still A Sister?

By Allie Sims - This book was written when Allie was 11, she reflects on her emotions as a four year old following the death of her brother at age one. The book poignantly shows how deeply a small life touches everyone.

\$5.00

Angelic Presence

Compiled by Cathi Lammert & Sue Friedeck - A collection of short stories compiled by Lammert & Friedeck reveals how individuals have sensed the presence and love of their babies who have passed from this life. Provides hope and comfort to all.

\$10.50

The Art of Being a Healing Presence

By James E. Miller and Susan C. Cutshall - Learn how to make a difference in the lives of others by being present in a way that is healing, nurturing and potentially even transforming. Discover what is both natural and surprising about this process, including how it affects your life as well. Use the insights presented here in your professional responsibilities, with your volunteer work, and as a friend and family member.

\$8.00

Bittersweet... hellogoodbye *NEW EDITION*****

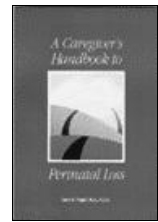

Edited by the National Share Office - A complete resource for anyone involved with perinatal loss. There are sections for planning religious as well as secular services that can be used by hospitals, groups, congregations or individuals. Prayers, scripture, readings and other resources are included to assist in meeting individual circumstances. Even includes stories and examples from bereaved parents. The most complete guide for use when planning a memorial or funeral for a baby.

\$29.95

A Caregiver's Handbook to Perinatal Loss

By Gary Vogel, M.A., N.C.C. - A perfect book for every caregiver who comes into contact with bereaved families. Brimming with constructive suggestions on what to say and do, setting limits, and recognizing your own grief.

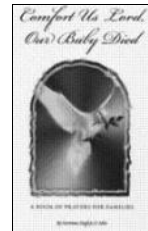

\$8.50

Comfort Us Lord, Our Baby Died

By Norman Hagley, D.Min. - This booklet includes a mother's prayer, a father's prayer, a prayer for hope, a prayer for a very young child and prayers for the caregivers.

\$3.50

Companioning at the Time of Perinatal Loss

By Jane Heustis & Marcia Meyer Jenkins Foreword by Alan D. Wolfelt, Ph.D - Written by nurses who base their care on Dr. Alan Wolfelt's principle of companioning rather than treated those who grieve. They describe the caregiver's role while offering stories from bereaved parents and offer strategies for care not only in the hospital, but also in the weeks and months following the baby's death.

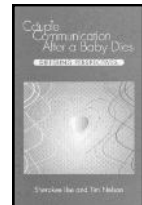

\$19.95

Couple Communication After a Baby Dies

By Sherokee Isle and Timothy Nelson - Couple Communication after a Baby Dies presents the issues that often plague couples, such as different grieving styles, father's needs, and communication problems that can take a toll on marriages and relationships in an honest, open way. It offers hope and encouragement for not only the early days after the loss, but also for the months and years ahead.

\$9.95

Dear Cheyenne

By Joann Cacciatore-Garard - Dear Cheyenne is a story of birth and death. It is the story of unconditional love and fortitude. It is a story of incalculable grief. It is a story about courage and hope. This book captures one woman's constellations of miracles and celebrates relationships that last beyond death. It is for every parent who has experienced the death of their child and it is for those wishing to understand this long journey through grief.

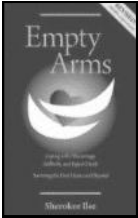

\$12.00

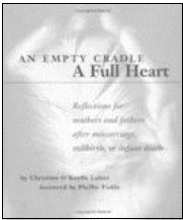

Dear Parents

Edited By Joy Johnson - This is a book of sharing; of thoughts, ideas, feelings, advice and care. It is a book of letters to bereaved parents, from bereaved parents, as well as nationally-known educators, authors and public leaders. They are powerful in their messages, will recognize the pain that you feel, and let you know you are not alone.
\$8.00

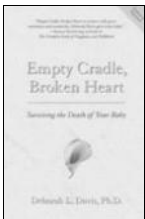

Empty Arms

By Sherokee Ilse
\$12.95

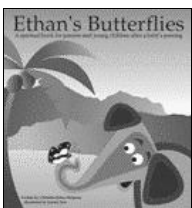

An Empty Cradle, A Full Heart

By Christine O Keeffe Lafser - A Christian resource for bereaved families searching for biblical passages they can connect with as their feelings of grief arise over the loss of their baby. Each page contains a shared personal excerpt and corresponding scripture passage.
\$11.00

Empty Cradle, Broken Heart

By Deborah R. Gemmill - Empty Cradle conveys the message that you can survive the death of a baby. The book includes chapters for fathers, anniversaries, getting help, parents without partners, plus stories from parents.
\$18.00

Ethan's Butterflies

By Christine Jonas-Simpson - This book takes parents and young children through the journey of deep sorrow and loss of a baby brother or sister from the moment of expectation of meeting them to the despair of knowing they passed, to the joy of reconnecting with them in another way. This story is about living and feeling the deep loss of a baby as well as transforming this precious loss through connecting and creating new relationships.
\$9.50

The Fall of Freddie the Leaf

By Leo Buscaglia, Ph.D. - This is a warm, thought-provoking story about how Freddie and his companion leaves change with the passing seasons and the coming of winter. Touches children and adults alike, illustrating the delicate balance between life and death.

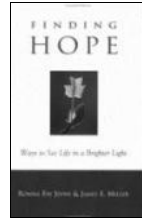

\$13.00

Finding Hope

By Ronna Fay Jevne & James E. Miller - After describing what hope is and how it works, Jevne & Miller offer twenty- two specific ideas about how to find, keep, and build hope in your personal life.

\$7.00

Footprints On Our Hearts - DVD

Produced by Charity Hamilton - Many mothers and fathers experience feelings of anger and helplessness at the loss of their baby. This video shows parents how to deal with grief and affirms that parents are not alone in their feelings. Through stories, poetry, music, and talking with professional counselors, this video speaks words of understanding, encouragement, and hope for this emotionally difficult time. Running Time: 60 Minutes

\$40.00

For Bereaved Grandparents

By Margaret Gerner - Addresses grief that grandparents feel when their children have a child die. Illustrates how grandparents can help themselves while they grieve and also help their children.

\$4.00

For Better Or Worse

By Maribeth Wilder Doerr - The death of your child can place an unbearable burden on your marriage. Hopefully this booklet will provide you with some insights on assigning your marriage the highest priority, becoming closer in the grief process, and surviving this tragedy.

\$3.50

Forever in Our Hearts

By Russ and June Gordon - An album designed to preserve your baby's memory and keep him/her real. There is space to journal memories, thoughts, hopes, and dreams, as well as pages to display memorabilia and include your baby's name, important dates, birth information, and/or photos.
\$15.00

The Good Grief Club: A True Story about the Power of Friendship and French Toast

By Monica Novak - A heartwarming story of 7 women who met at a suburban Chicago Share group. Each came from a different background and have a different reason for their loss, yet they connected in a way that only those who have lost a precious baby can understand. Prepare to be immersed in the life and struggles of these now life-long friends as they begin to live new lives without their babies.
\$18.95

A Grandparent's Sorrow

By Pat Schwiebert, RN - Contains suggestions on how grandparents can help themselves as they grieve and better understand their child during this difficult time.
\$4.00

Grief Journal for Parents

This journal provides an opportunity for bereaved parents to answer questions and journal their thoughts and feelings regarding the loss of their baby.
\$8.50

Grieving in the NICU: Mending Broken Hearts When a Baby Dies - DVD

Developed by Share Pregnancy and Infant Loss Support - In this DVD members of families whose babies have never "graduated" from the NICU share their experiences to help others through the grieving process. Nationally acclaimed experts participate in the discussions and offer their helpful opinions. Running Time: 80 minutes.
\$40.00

Grieving in the NICU: Supporting Families and the Health Team When a Baby Dies - DVD

Developed by Share Pregnancy and Infant Loss Support - This chaptered DVD is designed to help health care professionals play an integral part in the lives of parents faced with the death of a baby. The DVD showcases grieving parents and caregivers facing the ongoing reality of having to care for some babies who will not survive to "graduate" from the NICU. Running Time: 80 minutes.

\$40.00

Grieving the Child I Never Knew

By Kathe Wunnenberg - This is a wise and tender companion for a mother whose heart has been broken by the death of a baby. This devotional collection will help you grieve honestly and well. With seasoned insights and gentle questions, it invites you to present your hurts before God, and to receive over time the healing that He alone can - and will - provide. Each devotion includes a scripture passage and prayer, *Steps Toward Healing* questions, and space for journaling.

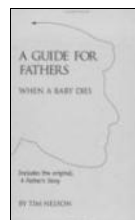

\$11.00

A Guide for Fathers

By Tim Nelson - This small pocket-size guide lays out the basic information that a man needs to know when his child dies - and does so in no-nonsense, easy-to-read, non-flowery language.

\$4.50

Healing a Father's Grief

By William H. Schatz - Written by a father whose son died at the age of nine. He offers information and advice to other fathers grieving the loss of a child.

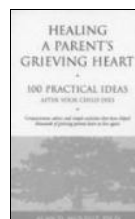

\$3.00

Healing a Parent's Grieving Heart

By Alan D. Wolfelt, Ph.D. - One idea per page offers compassionate, action-oriented suggestions for help healing. It touches on common challenges such as dealing with marital stress, helping surviving siblings, dealing with hurtful advice and exploring guilt.

\$12.50

The Healing Journey

The Healing Journey is a collection of solo harp selections by therapeutic harpist, Tami Briggs.* It is gently serene - intentionally created for you to reflect, relax and rejuvenate. This meditative, musical journey will nurture your spirit and support your individual healing, as well as collectively contribute to global healing, peace and harmony.

*All selections composed by Tami Briggs, except "I Know Where I'm Going" (Irish ballad.)

\$15.00

Healing Together

By Marcie Lister and Sandra Lovell - This booklet covers ideas from the funeral/memorial service to talking with one another. It provides information on how men and women grieve differently and how to strengthen your relationship after the loss of your baby.

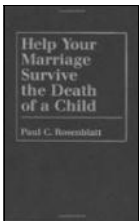

\$3.50

Heaven's Brightest Star

By Kara M. Glad - This story is about a little girl named Katie, who is eager to become a big sister. Unfortunately, she quickly learns her new brother is a premie, who is not strong enough to survive. The book explains the NICU (Neonatal Intensive Care Unit) to children and will help them understand that sometimes the young as well as the old pass away.

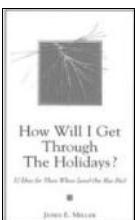

\$8.99

Help Your Marriage Survive the Death of a Child

By Paul C. Rosenblatt - Many bereaved parents struggle for a lifetime with personal and marital issues related to a child's dying. This book speaks about many challenging and complex problems couples can have when a child dies, examines what might go on in a couple's relationship following a child's death, and offers advice on what to do when things seem to be going wrong in a couple's marriage.

\$18.00

How Will I Get Through The Holidays?

By James E. Miller - Ten guidelines you can use as ideas to expand on, shape, and fit your circumstances to serve your own personal needs.

\$7.50

Hugged With Our Hearts

This memory book is for parents to remember the baby who touched their life so briefly. It provides small areas to journal thoughts, dates, and important dates.

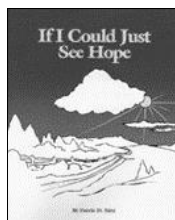

\$3.00

If I Could Just See Hope

By Darcie D. Sims - This collection of stories is filled with compassion, hope, and humor. This is written to help you understand yourself and the factors that influence your grief journey.

\$14.00

Isabelle's Dream

By Betsy Bottino Arenella - Based on the true story of two sisters, Isabelle's Dream takes the reader on a heartwarming journey from grief to hope. It is a story of how Sophie, who died at the age of one year, one week old, visits her big sister Isabelle in a dream. Through the beauties of nature, Sophie shows Isabelle the earthly joys that still await her and reassures her that they will be sisters forever. The storybook includes illustrations that children can color, blank activity pages, and pages for parents.

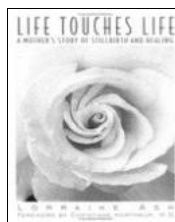

\$7.95

Life Touches Life

By Lorraine Ash - Unable to find answers when her only child was still-born, Lorraine Ash came to write the book she longed for. It is a road map from pain and chaos to understanding and acceptance. Drawing on great thinkers, personal loves, and the wisdom in everyday events, Ash explains how she made it through this difficult emotional terrain after her daughters stillbirth and how her experiences led to richer ways of seeing, being, and loving the world.

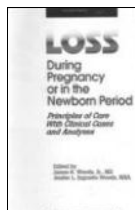

\$14.00

Loss During Pregnancy or in the Newborn Period

Edited By James R. Woods, Jr., M.D. & Jennifer L. Esposito Woods, M.B.A. - This book examines the biological implications and psychological challenges of the loss of a baby and includes practical clinical cases with commentaries provided by other professional practitioners.

\$35.00

Lost Children: Coping with Miscarriage for Latter-Day Saints

By R.J. Christensen - Provides specific information for Latter-Day Saints as to how Heavenly Father's plan offers solace in the face of adversity. The book also provides specific information about miscarriage and how it affects a person physically, emotionally and spiritually.
\$9.99

Loving and Letting Go

By Deborah L. Davis, Ph.D. - Turning away from aggressive medical intervention for your critically ill newborn is surely one of the most profound, poignant, wrenching and heartfelt decisions you will ever make. The urge to hold onto your baby at all costs can be strong. Yet, your sense of what is best for your child prevails and you decide to let go and give your child wings. This book confirms the love, wisdom, courage, and faith that lie at the heart of letting go, and offers support for grieving and finding peace.
\$7.00

Luke's Way: Keeping the Heart as Light as a Feather

By Deborah A. Schuldes - Written by a mother who experienced the loss of her son. She shows her perspective on how to view life through a broader consciousness, whereby allowing healing to come from within. By following the synchronicities as signposts, along with trusting her feelings, she writes about how she accessed a higher awareness of her place in life.
\$13.95

A Man You Know is Grieving

By Thomas R. Golden and James E. Miller - Two books in one. This book focuses on the masculine side of healing from a loss. One side is for a man who is grieving. It provides insight into masculine healing; the grief process and self help ideas to aid in healing. The second side is recommended if a man you care about is grieving. It offers ideas for helping him and healing the pain of his loss.
\$7.50

Miscarriage

Published by Centering Corporation - This booklet addresses feelings of anger, guilt and withdrawal in couples and relationships. It includes ways to memorialize your baby. Available in Spanish.
\$3.50

Miscarriage - A Man's Book

By Rick Wheat - Based on interviews with men and includes discussions of their struggles, their partners grief, and supporting each other.

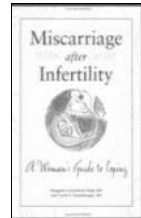

\$3.50

Miscarriage after Infertility

By Margaret Comerford Freda, RN and Carrie F. Semlsberger, RN - This is a comforting guide for those who have experience the emotional turmoil and pain that often accompany a miscarriage after infertility with helpful suggestions for handling these emotions. For women who feel that their lost pregnancy may be their last, *Miscarriage after Infertility* offers comfort and hope.

\$15.00

Mommy, Please Don't Cry...There Are No Tears in Heaven

By Linda DeYmaz - This book of hope and healing with beautiful illustrations, gentle, poignant words that express the love of heaven through the eyes of a child and offers comfort to parents who miss them dearly.

\$13.00

The Next Place

By Warren Hanson - Sometimes, adults struggle with finding ways to explain the concept of an afterlife to children when a loved one has died. In this beautifully illustrated book, children and adults alike can experience hope and solace in their search for understanding the next place as they are drawn to the uplifting prose and drawing on each page.

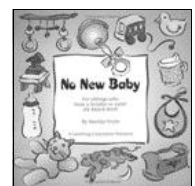

\$16.00

No New Baby

By Marilyn Gryte - A loving and caring grandmother explains to her grandchild that the baby died and it is ok to ask questions. Available in Spanish.

\$5.00

No Smile Cookies Today

By Kathy Kennedy Tapp - This book shares the joy and anticipation as Katie awaits the birth of her sibling as well as her sadness and fear when the baby dies.

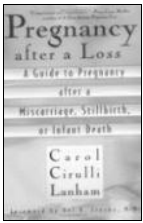

\$4.00

Personal Memory Box

The Personal Memory Box offers a special place to hold cherished mementos such as hospital mementos, cards from family and friends, unsent letters written to the baby, etc. The padded, fabric covered box has a center opening top with padded frames for baby's prints and picture. The verse card and six note cards (blank on the inside) read, "When someone comes into our lives...And they are too quietly and quickly gone, They leave footprints on our hearts...And their memory stays with us forever."

\$45.00

Pregnancy after a Loss

By Carol Cirulli Lanham - For a woman who has experienced a miscarriage, a stillbirth, or the death of an infant, conceiving another child can be fraught with mixed emotions. This guide, filled with up to date medical information can ease your anxieties and help you look forward to the future as you make peace with the past. Available in Spanish.

\$15.00

Remembering with Love

By Elizabeth Levang, Ph.D. and Sherokee Ilse - This book offers compassion, comfort and guidance. Over 300 short pieces remind us that we are not alone, and that we can and will survive. These messages of hope assure us that one of the secrets to healing lies in remembering our loved one forever.

\$12.00

Remembrance Box

This little box is especially made and designed for early loss. The Remembrance Box contains a journal for the mother to express her feelings. Inside is a little sterling silver charm that may be worn on a chain or a bracelet or safely kept in this special box. The sachet heart gives The Remembrance Box a baby powder scent. If possible, a baby's tiny footprint may be inked on the enclosed Baby's Print Card. This box is appropriate for up to 18 weeks gestation.

\$35.00

SIDS and Infant Death Survival Guide

By Joani Horchler Nelson & Robin Rice - This book is packed full of information, survival suggestions, personal stories, and poems. *SIDS and Infant Death Survival Guide* is one of the best resources to help SIDS survivors with comprehensive discussion of the full spectrum of issues unique to SIDS.G

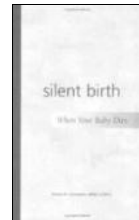

\$15.00

Silent Birth

By Sharon N. Covington, MSW, LCSW-C - This booklet will help you know what to expect and what to do when suddenly faced with the trauma from the death of your baby. Your grief will heal better and faster if you can face your baby's death squarely rather than avoid it, postpone your response to it, or pretend your baby did not exist. Though nothing will take your pain away immediately, it is hoped that this booklet will help you find a meaningful way to commemorate your baby's life, manage your grief, and lessen any later regrets.

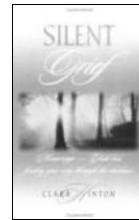

\$4.95

Silent Grief

By Clara Hinton - This author brings a clear message of hope. Writing of her own grief and interviewing scores of women and men, she offers not pat answers, but instead shows us this: You are not alone. The moving, honest responses to these interviews tells the reader that through the tears and rage and awful silence, God still loves us and knows our children intimately.

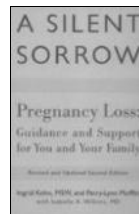

\$12.00

A Silent Sorrow

By Ingrid Kohn, MSW; Perry Lynn Moffitt; and Isabelle A. Wilkins, MD - Offers extensive insight on such topics as the grief process, why men and women grieve differently, the dual burden of infertility with pregnancy loss and difficult decisions. This book includes medical information on pregnancy loss and care during pregnancy and a comprehensive bibliography and index. Second Edition.

\$16.00

Someone Came Before You

By Pat Schweibert, RN - A book for the child who comes after one who died. It explains in a gentle way the parents' desire for a child and the sadness that comes over them when that baby dies. It then shares how the parents, with the help of the baby, get to the point of wanting another child to come into their lives. Recommended for age 2 and up.

\$8.95

Something Happened

By Cathy Blanford - This book is designed especially for children between the ages of two and six whose families have experienced a miscarriage, stillbirth, or neonatal death. The simple, clear story helps the child to understand what has happened, to deal with all of the feelings that are arising, and to continue to feel loved and secure. In addition to the story for children, most pages have a box with words for parents as to how they can understand what their child might be going through and how they can help them deal with this loss. Recommended for ages 2 to 6.

\$12.95

Still to be Born

By Pat Schwiebert, RN and Paul Kirk, MD - This book is filled with emotional support for bereaved parents who are making the decision to conceive another baby after a loss.

\$6.50

Strong and Tender

By Pat Schwiebert, RN - This is a guide for the father whose baby has died. This book is intended to help you, the bereaved father, to understand the kind of work which grief requires, and then to find your own unique and personal ways of expressing your sorrow. Also, besides offering important self help tools, it is designed to provide you with ways to offer emotional and spiritual support for your family during this difficult time.

\$3.00

Swallowed by a Snake

By Thomas R. Golden - This book speaks about the masculine side of grief and healing from a loss. It is meant to be a map and guide through the loss experience to guide you to a place of healing and transformation. Discover new and powerful ways to heal; how the genders differ in their healing; greater understanding between partners; examples of successful and unique healing strategies; a path to realize and honor your own uniqueness; new ways to understand your grief; and ways the individual's loss can impact the entire family.

\$14.00

Sylvie's Life

By Marianne Rogoff - Sylvie's Life is a beautifully written story that chronicles the life of a remarkable baby girl whose family was told she would only live a short time after her birth.

\$9.95

This Little While

By Joy and Dr. S. M. Johnson - This book focuses on the brief time parents and family members have with their child when their baby is dying. It addresses the many choices families face during this difficult time as well as the feelings of grief a bereaved family experiences.

\$3.50

Thumpy's Story

By Nancy C. Dodge - Thumpy the Bunny shares the hurt and concerns felt when his sister dies. His family draws together and helps each other grieve and grow into a healing experience. Questions, anger, bargaining, and searching for answers all rise within the family and individuals. This story provides an opportunity for children and adults to verbalize their own experience. Appropriate for all ages. Available in Spanish.

\$8.00

A Time to Decide, A Time to Heal

By Molly A. Minnick, M.S.W., Kathleen J. Delp, A.C.S.W., and Mary C. Ciotto, M.D. - You have just been told that there is a serious or fatal problem with your baby. For every parent this comes as a crushing blow. You most likely feel overwhelmed with every possible emotion. This book is written by parents who were also given bad news during a pregnancy. Their hope is that their collective experiences will help you feel less alone as you journey through decision making and healing.

\$10.50

Timothy Duck

By Lynn Bennett Blackburn and Centering Corporation - Timothy Duck is faced with all kinds of new feelings when his friend gets sick. This story is about all the emotions experienced by both children and adults when a friend dies.

\$6.50

Too Soon a Memory

By Pat Schwiebert, RN - This guide provides practical information for the couple facing grief following a miscarriage. This book will validate those who deeply affected by the loss, as well as those who will move quickly through their grief. Helpful medical information and grieving tips are included.

\$4.00

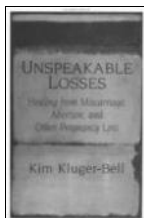

Trying Again

By Ann Douglas & John R. Sussman, MD - For parents whose baby has died, this book lessens the uncertainties about pregnancy after miscarriage, stillbirth, or infant loss by providing facts to help you determine if you are emotionally ready for another pregnancy. It imparts essential advice about preparing and planning for another baby.

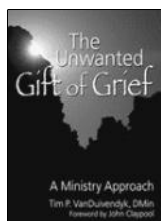

\$17.00

Unspeakable Losses

By Kim Kluger-Bell - This comforting and healing book is a must - not only for women who have at one time experienced pregnancy loss, but also for their parents, sisters, daughters, brothers, and friends. This book is filled with in depth stories of those who have experienced losses and solid, practical advice along with mourning rituals and services.

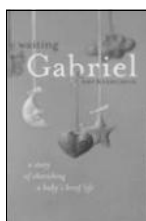

\$14.00

The Unwanted Gift of Grief: A Ministry Approach

By Tim P. VanDuivendyk, D.Min. - *The Unwanted Gift of Grief* is a practical guide through the grieving process for those who have suffered a loss as well as those who care for them. This unique book shows how healing, growth and transformation can occur even through grief and pain. This book is valuable for professional ministers and counselors as well as the grieving person.

\$14.00

Waiting with Gabriel

By Amy Kuebelbeck - Amy Kuebelbeck was five and a half months pregnant with her third child when she received the devastating news: her baby had a malformed heart, and the condition was fatal. Faced with an impossible choice, Amy and her husband, guided by faith and supported by friends and family, set out to make the most difficult decision of their lives. In *Waiting with Gabriel*, we are invited to share her journey.

\$18.00

We Were Gonna Have a Baby, But We Had an Angel Instead

By Pat Schwiebert, RN - This is a book, told from a child's perspective about the excitement, anticipation and dreams of a coming baby, and the disappointment and sadness when the baby dies.

\$8.00

When a Baby Dies

By Rana Limbo & Sara Wheeler - At the heart of this book are stories of families who have experienced losses as well as the stories of those who care for them.

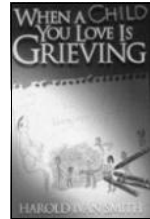

\$13.00

When a Child You Love is Grieving

By Harold Ivan Smith - Smith gives practical steps you can take to ensure that a grieving child receives the necessary, healthy outlets needed during the loss of a loved one. He teaches any loved one of a grieving child how to give the support the child needs.

\$13.99

When Courage Lies in Letting Go

Formerly titled: Fly Away Home This gentle, parent-friendly book affirms parents who are considering palliative care, or have already decided against continued aggressive medical intervention for their dying child. Listen to the stories of parents who have been there. Read about what "medical miracles" can really mean, and know that your decisions come from love, devotion, and the courage that lies in letting go.

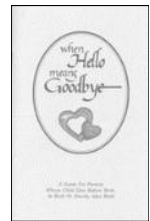

\$6.95

When Hello Means Goodbye

By Pat Schwiebert, RN & Paul Kirk, MD - This is an appropriate book to help families during the early days of grief. When given to parents at the first acknowledgement of their baby's death, the listed suggestions can help parents best use the short time they have with their baby. Topics include: reasons for seeing, holding, and naming the baby. Available in Spanish.

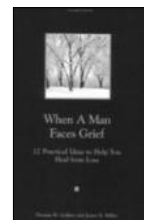

\$4.00

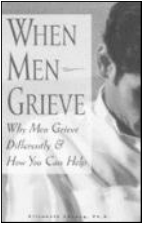

When a Man Faces Grief

By Thomas R. Golden and James E. Miller - Two books in one. This book focuses on the masculine side of healing from a loss. One side is for a man who is grieving. It provides insight into masculine healing; the grief process and self help ideas to aid in healing. The second side is recommended if a man you care about is grieving. It offers ideas for helping him and healing the pain of his loss.

\$7.50

When Men Grieve

By Elizabeth Levang, Ph.D. - The essays of 11 men - fathers, spouses, brothers, friends - are found within the pages of this book. Their message is that men do grieve. They do care. They may grieve differently, but they grieve equally.

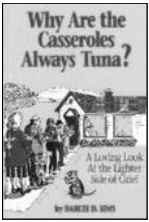

\$15.00

Where's Jess?

By Ray & Jody Goldstein - This book is helpful for very young children coping with infant sibling death. It is simple and easy to understand. Recommended for ages 3 to 6.

\$4.00

Why Are the Casseroles Always Tuna?

By Darcie D. Sims - This is a collection of thoughts about the needs of the grieving. Readers will laugh and cry at the same time as they learn to cope with grief and loss.

\$10.00

Spanish Resources

Miscarriage

Published by Centering Corporation - This booklet addresses feelings of anger, guilt and withdrawal in couples and relationships. It includes ways to memorialize your baby. Available in Spanish.
\$3.50

No New Baby

By Marilyn Gryte - A loving and caring grandmother explains to her grandchild that the baby died and it is ok to ask questions. Available in Spanish.
\$5.00

Special Babies Live in the Hearts of Those Who Love Them

\$6.50

Thumpy's Story

By Nancy C. Dodge - Thumpy the Bunny shares the hurt and concerns felt when his sister dies. His family draws together and helps each other grieve and grow into a healing experience. Questions, anger, bargaining, and searching for answers all rise within the family and individuals. This story provides an opportunity for children and adults to verbalize their own experience. Appropriate for all ages. Available in Spanish.
\$8.00

When Hello Means Goodbye

By Pat Schwiebert, RN & Paul Kirk, MD - This is an appropriate book to help families during the early days of grief. When given to parents at the first acknowledgement of their baby's death, the listed suggestions can help parents best use the short time they have with their baby. Topics include: reasons for seeing, holding, and naming the baby. Available in Spanish.

We Hold You in Our Hearts

A beautiful memory book for those who have experienced the tragic death of a baby. Includes special sections for mementos, photos, certificates and more.

\$8.00

The mission of Share Pregnancy and Infant Loss Support, Inc. is to serve those whose lives are touched by the tragic death of a baby through pregnancy loss, stillbirth or in the first few months of life.

The primary purpose is to provide support toward positive resolution of grief experienced at the time of/or following the death of a baby. This support encompasses emotional, physical, spiritual, and social healing, as well as sustaining the family unit.

The secondary purpose of Share is to provide information, education, and resources on the needs and rights of bereaved parents and siblings. The objective is to aid those in the community, including family, friends, employers, members of the congregation, caregivers, and others in their supportive role.
